PRELIMINARY AMENDMENT

Sir:

Applicants respectfully request entry of the following amendments prior to calculating the fee for, and prior to considering the patentability of the above-referenced application, which is being filed concurrently herewith as a continuation of currently pending U.S. Patent Application Serial No. 09/809,749.

A version of the amendments that includes markings to denote additions and deletions to the amended subject matter also is included below.

In the Specification

Please add the following text immediately after page 1, line 2:
